Join us this SPRING, a natural time for renewal and planting new seeds, to receive the Munay Ki Rites and walk the Incan Medicine Wheel. This intensive brings together two powerful and ancient teachings to accelerate our personal healing and the evolution of our consciousness:

- **The Rites of the Munay Ki** – 9 initiatory rites, handed down for generations by the Incan and Q'ero Shamans of Peru and transmitted energetically into your luminous field. Munay Ki translates as “Be as Thou Art”.
- **The Medicine Wheel** - a sacred map showing us how our journey relates to all of creation; a map to help facilitate the flowering of the Munay Ki seeds and our personal healing.

In each session of this intensive you will engage in intuitive healing exercises, guided shamanic journeying and sacred ceremony while acquiring tools to take home with you.

- Session 1 - Way of the Hero: Embark on a healing journey, shed limiting thoughts and beliefs and learn to walk with awareness and compassion.
- Session 2 - Way of the Warrior: Step beyond fear, violence and death and walk with clarity and peace.
- Session 3 - Way of the Seer: Step into our spiritual path, live with the wisdom that lies within us.
- Session 4 - Way of the Sage: Own our power to co-create and to dream our world into being.

The core of the program will connect you to a spiritual lineage beyond any one culture and will ground you in transforming your heart, your community and our earthly home.

Tuition: \$330; 10% discount for full payment by March 8th or for Seniors.
